

# ...INTRODUCING the all new DARLEY CHAMPION GEAR

Inside every firefighter beats the heart of a Champion.  
Those with the passion to rise to the occasion.

Our gear is built to hold up in the toughest of conditions and is loaded with all the features you expect including plenty of large pockets and clips for your tools and communication equipment, reinforced knees, double stitched seams and comfortable overlapping collar. Your safety is most important so we've included bright, reflective 3M triple trim, a fire resistant Nomex® IIIA outer shell and drag rescue Device per the latest NFPA safety standard.

**Turnout Gear worthy of a Champion.**
