**A800 SERIES**

Check out the Sperian A800 Series with wraparound protective lenses and non-slip rubber nose bridge that keeps glasses from sliding off even when the mercury rises. With extra flex built into the temples, these glasses also fit more comfortably. Glasses meet ANSI Z87+ impact standards.

**CRUISER™**

Sperian Cruiser's™ lightweight lens, comfort fit and sporty style make these a highly popular choice. The wraparound lens has fin shapes on the ends while the non-slip nose bridge has two positions. Hardcoat helps prevent scratches or choose optional anti-fog lens coating. Each pair comes with an adjustable, breakaway **FlexiCord™** to keep glasses close at hand. Meets ANSI Z87+ impact standards. Black frame.

### STEALTH® OTG GOGGLES

These new Uvex® Stealth® OTG Goggles fit easily over most prescription eyewear to protect eyes from impact, airborne irritants and chemicals. The elastomer body comfortably conforms to facial features ensuring a secure fit, while a **Dura-Streme™** anti-fog, anti-scratch coating keeps things clear. Headband pivots for easy adjustability – even on a hard hat. Choose neoprene or fabric headband. Meets ANSI Z87+ impact standards. Navy frame.
