MAX® SINGLE USE EARPLUGS

The ever popular **Max® Single Use Earplugs** are super comfortable to wear because they're made from polyurethane foam in a bell shape that softly fills the ear canal to block out harmful noise. The smooth outer "skin" helps prevent dirt build-up, too. NRR 33. Red.

Part No	Description
MAX1SN	Earplugs, Max, Uncorded, 200 Pair/Box
MAX1DSN	Earplugs, Max, Uncorded, LS-500 Dispenser Refill, 500 Pair/Box
MAX30SN	Earplugs, Max, Corded, 100/Box

MAX LITE® SINGLE USE EARPLUGS

For someone with more sensitive ears or smaller ear canals the **Max Lite®** is the perfect earplug. Softer than other earplugs, the **Max Lite** has a T shape and expands gently for less pressure. Soil resistant foam. NRR 30. Green.

Part No	Description
LPF1SN	Max Lite Earplugs, Uncorded, 200 Pair/Box
LPF30SN	Max Lite Earplugs, Corded, 100/Box

LEIGHT SOURCE 500® EARPLUG DISPENSER

Keep earplugs in a central location with the **Leight Source 500® Earplug Dispenser**. Made for heavy-duty use and wall mountable, just turn the handle to dispense earplugs. Machine holds 500 pairs of **Howard Leight® (MAX1DSN)** earplugs.

Part No	Description
LS500SN	Earplug Dispenser, Leight Source 500

LS500SN
w/ MAX1DSN

MULTI MAX® SINGLE USE EARPLUGS

Two is usually better than one and that's the thought behind **Multi Max® Earplugs**. These single-use plugs have two sizes in one. The yellow end is smaller than the red end. Polyurethane foam expands to fit the ear canal creating a comfortable and efficient fit for everyone who wears them. The closed cell foam construction helps prevent dirt build-up, too. NRR 31. Red/Yellow.

Part No	Description
MM1SN	Earplugs, Multi Max, Uncorded, 200 Pair/Box

If Silence Is Golden, These Are Priceless.

SMF30SN

SMARTFIT® MULTIPLE USE EARPLUGS

Save money and reduce waste with **SmartFit® Earplugs**. They're easy to clean and last for several weeks when stored properly. **Conforming Material Technology™** uses the wearer's body heat to adapt the plug to the ear canal. Earplugs come with a detachable cord and a **HearPack®** storage case. NRR 25. Orange.

Part No	Description
SMF30SN	SmartFit Earplugs, Detachable Cord, 100/Box

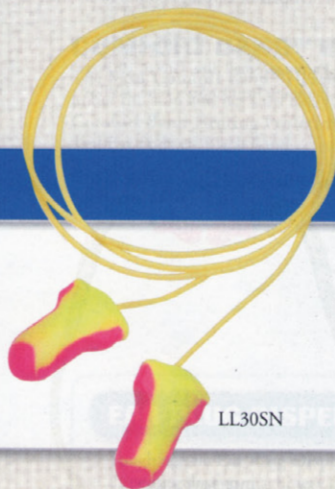

QD30SN

QUIET® MULTIPLE USE EARPLUGS

Quiet® Earplugs are made for multiple use and are easy to clean. The shape is similar to the ear canal and also made so the plugs won't roll when placed on a surface. Each **Quiet Earplug** has an insertion stem making it simple to insert and remove. These corded earplugs come in a flip-top box and have an NRR of 26. Orange.

Part No	Description

PPE

AIRSOFT® MULTIPLE USE EARPLUGS

AirSoft® Earplugs are designed for multiple use and have the highest attenuation in multiple use plugs. A firm stem aids in insertion and removal while the earplugs' flanges are tapered, rounded, soft and flexible to feel comfortable in the ear canal. NRR 27. Blue.

Part No	Description
DPAS30RSN	AirSoft Multiple Use Earplugs w/ Red Polycord, 100/Box
DPAS30WSN	AirSoft Multiple Use Earplugs w/ White Nylon Cord, 100/Box

LASER TRAK® DETECTABLE EARPLUGS

A non-ferrous metal grommet and bright colors make Laser Trak® Earplugs easy to detect by sight and automated inspection. The contoured "T" shape and self-adjusting foam construction create a perfectly comfortable fit for each wearer. NRR 32. Orange/Blue.

Part No	Description
LT30SN	Laser Trak Detectable Earplugs, Corded, 100/Box

CLARITY® MULTIPLE USE EARPLUGS

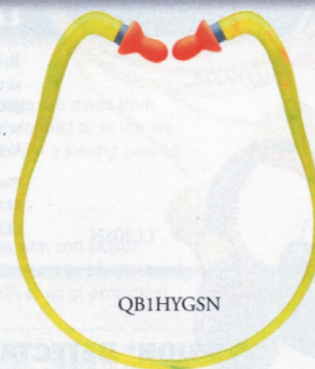

Hear certain things more clearly with Clarity® Multiple Use Earplugs. They're best suited for noise environments of 95 dB or lower. These earplugs block low and medium frequencies while the higher frequencies, alarms, voices and more, can still be heard. Each pair of earplugs comes in its own reusable case. NRR 21.

Part No	Description
1005328SN	Clarity Multiple Use Earplugs, Small Size, Green, 10/Box
1005329SN	Clarity Multiple Use Earplugs, Regular Size, Blue, 10/Box

QB1HYG® BANDED EARPLUGS

QB1HYG® Earplugs have an exclusive band that holds ear pods above surfaces to keep them clean and uncontaminated. Lightweight and portable inner aural protection for jobs with intermittent noise. NRR 27. Neon Yellow Band w/ Orange Ear Pods.

Part No	Description
QB1HYGSN	Banded Earplugs, Inner Aural, 10/Box

QB2HYG® BANDED EARPLUGS

Howard Leight's® exclusive band is found on the QB2HYG® Supra-Aural Earplugs. Band is handy because it keeps the ear pods from touching dirty surfaces. When wearing, pods rest partially in the ear canal for added comfort. QB2HYG are made for environments that have intermittent noise. NRR 25. Neon Orange Band w/ Orange Ear Pods.

Part No	Description
QB2HYGSN	Banded Earplugs, Supra-Aural, 10/Box
