

MANGUERA DOBLE CHAQUETA BROOKS EQUIPMENT

Double Jacket Fire Hose

Item#: DJ HOSE

For added durability under pressure, it's hard to beat our **DOUBLE JACKET FIRE HOSE**. Each length features two jackets of 100% polyester, rubber-lined material for added protection against cuts, rips and abrasion. It also has a burst pressure of 1,200 psi, an acceptance test pressure of 800 psi and a service test of 400 psi.

NOTE: Recommended for industrial fire protection.

Full Product Info

Features:

- FM Approved
- Dual - 100% polyester jackets
- Rubber lined
- Minimum hose weight with maximum strength, flexibility and abrasion resistance
- Immune to deterioration from rot and mildew
- Never needs drying
- Designed for heavy industrial use where higher pressures and better abrasion resistance is required
